

**Warding Files - Bulk**

Originally designed to file or repair ward notches in keys, warding files are ideally suited for use in narrow spaces. These files have a rectangular cross-section, tapered width, uniform thickness, double-cut faces and single-cut edges.

Part No.	Length	Cut/ Coarseness	Qty/Pkg	Section Dimensions
23140	4"	Bastard	10	15/32x3/32
23141		2nd Cut
