

## 1/2 Round Wood Rasps - Pouched

Used to file concave, convex as well as flat wood surfaces. These rasps have one side rounded, one side flat, and are tapered in width, with rasp cuts on flats and backs.

| Part No. | Length | Cut/<br>Coarseness | Qty/Pkg | Section<br>Dimensions |
|----------|--------|--------------------|---------|-----------------------|
| 23550    | 8"     | Bastard            | 1       | 25/32x15/64           |
| 23552    | 10"    | Bastard            | 1       | 31/32x9/32            |
| 23554    | 12"    | Bastard            | 1       | 1.5/32x11/32          |
| 23556    | 14"    | Bastard            | 1       | 1.11/32x13/32         |

## 4 IN 1 Rasp - Pouched
