

HandPower has developed high quality punches forged from high grade English tool steel. All punches have been carefully heat treated to ensure hard tips and toughness. All punches come complete with painted body and high polished tips. Each tool is individually packaged in a heavy duty vinyl pouch providing tool protection and high visibility for point of purchase merchandising. Meets or exceeds specification #GGG-P-831e

Roll Pin or Spring Punches

Used for the removal of spring or roll pins, each punch has a ball shaped pilot end designed to fit into the hollow centre of the pin, holding the driving shoulder in perfect contact position. Twelve sizes match standard pin diameters allowing for quick and easy pin removal and eliminating damage to pins.
