

Handpower has developed high quality chisels forged from high grade English tool steel. All chisels have been carefully heat treated to ensure hard tips and toughness when working on untempered materials. All chisels come complete with painted body and high polished tips. Designed for cutting, shaping and removing metal softer than the cutting edge of the chisel. Each tool is individually packaged in a heavy duty vinyl pouch providing tool protection and high visibility for point of purchase merchandising. Meets or exceeds specification # GGG-C-313c.
